Definition of active Federal service: Full-time duty in the active military service of the United States as an enlisted, warrant or commissioned officer. It includes full-time training duty, active duty for special work, annual training, and attendance, while in the active military service, at a school designated as a service school by law or by the secretary of the department concerned. Active Federal service does not include Full-time National Guard duty (FTNGD), Title 32 AGR service, or any active duty performed under the authority of Title 32.
